

# Assembly Instructions

## Illuminated Accent Table

### Model # LT410

#### Assembly Instructions:

Estimated Assembly Time: Approximately 20 minutes.

#### Tools Required for Assembly: *(not supplied)*

Phillips and flat  
screwdriver

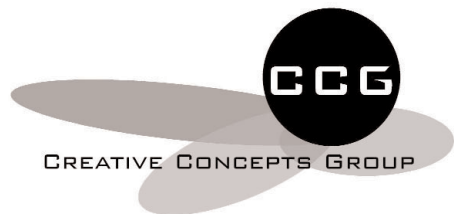

#### CAUTION:

This illuminated table is partially assembled in the factory by qualified craftsman. Some assembly is required before use. Please follow the assembly instructions carefully.

To prevent the RISK OF ELECTRIC SHOCK, Do not use with extension cord near water or where water may accumulate. Keep table at least 16 feet from pools and spas. Keep plugs and receptacles dry.

For use only on GFCI protected circuits.

#### SAVE THESE INSTRUCTIONS

#### Accent Table Assembly:

- (1) (FIGURE 1) Attach each of the 4 table legs to the Center Base using the locking screws, as shown.
- (2) Place Glass Top Bracket (Metal table top ring) on to the top of the legs. Secure with locking screws.
- (3) Place Light Glass, Ring & Bulb Cover Bracket around Socket and secure with Socket Ring. Screw light bulb into Socket. Place Bulb Cover over light bulb and screw Bulb Cover into Bulb Cover Bracket.
- (4) Place round Glass Top onto the Glass Top Bracket (Metal table top ring).

**CAUTION:** Do not pick up table by glass top.  
Maximum weight load of glass table is 10 lbs.

#### Bulb Requirements:

- 1) Screw bulb into socket as shown
- 2) Use 1 - 25 watt maximum, Candelabra base, G16.5 mini globe bulb (not included).
- 3) Plug fixture into electrical outlet.

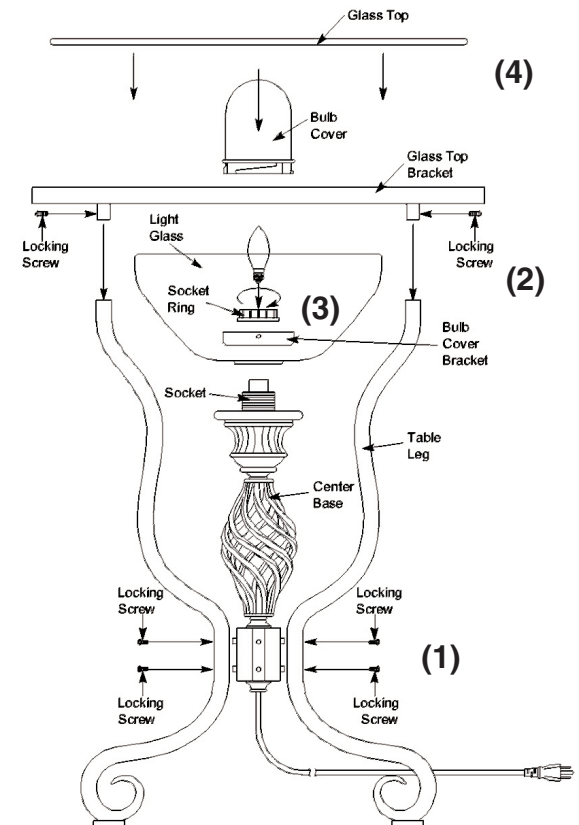

#### Troubleshooting:

- 1) If unit doesn't work when plugged in, make sure light bulb is screwed in correctly and the electrical outlet is working properly.

#### Proper Care/Cleaning:

It is important that dust and debris is removed from the surface of the accent table periodically. It is recommended that the table be wiped down weekly using a soft, dry or damp cloth. DO NOT use any abrasives such as glass cleaners or chemicals on metal surfaces, as this will scratch, remove, or damage the protective coating, allowing moisture and pollutants to come in contact with the metal.
